

Matching Memory Game: Species Edition

Suggested Directions:

Print directly onto cardstock or print and glue onto card stock. Cut out squares. Place facedown. Take turns (or challenge yourself) matching species name and photograph.

common
bottlenose
dolphin

killer
whale

Risso's
dolphin

Atlantic
spotted
dolphin

short-finned
pilot whale

short-beaked
common
dolphin

spinner
dolphin

Irrawaddy
dolphin

dusky
dolphin

Tips:

For a shorter game, use cards only on page 1 or only on page 2.

To learn more about each species, visit <https://www.fisheries.noaa.gov/species-directory> and watch our recorded webinars!
